Dear Commissioner,

It has come to my attention that there are funds remaining from the "½ Cent Discrepancy Sales Tax." I can't think of a better and more purposeful way than to spend those funds on improving the existing LCpl Justin Wilson Memorial Park and developing it into a premiere Sports Complex for the entire county. In light of recent speculation that Sailfish Park and Leighton Park are scheduled to close, a new solution and viable alternative needs to be agreed upon—one that's in the best interests of the fine residents of Martin County—young and old. Additionally, this would be a noteworthy tribute to the park's namesake, LCpl Wilson, who gave his life in honor of our great country so we could all play and live forever in freedom.

The renderings that have been proposed for **MC Fields of Dreams** are the perfect solution. As a taxpayer, I would like to see this "dream" come to fruition, and respectfully request your full support with the motion to move forward with this plan.

Respectfully Yours,

Martin County Resident & Voter
